### 3) Do we need to wash the Table Cloths?

- 🕒 You do not need to wash our Table Cloths. Just shake them out to remove any loose food particles and then they are good to come back to us.

### 4) Do we need to wash China, Flatware, and Glassware?

- 🕒 We just require you to do a 'basic rinse' of these items. You do not need to Machine Wash. Just some water from the sink is fine in order to remove the food particles.

### 5) Do I need a Tent Permit?

- 🕒 You do not need a Tent Permit for something on your Private Property. If the Tent is going on Public Land (Park, Beach, Street Closure, etc.) then you will need a Tent Permit. We Charge \$125 for us to obtain the Permit for you, plus the actual Cost of the Permit from the City. 15) What happens if my rentals get wet from the rain?

- ⌚ The only items that cannot get wet for an extended period of time (24-48 Hours) would be the Dance Floors, Staging, Bars, Wooden Tables, and Linen. We offer 20x20 Plastic Tarps for \$5 each.  
If your Linen Table Cloths get wet, allow them to air dry (or machine dry). Do not place them into Plastic Bags while wet, because they will then start to mildew.

- ⌚ We forgive 2 or 3 broken pieces at No Additional Charge. Delicate items will break on occasion, and we understand that. Anything more than 3 broken pieces will then constitute a Sale Price per each additional broken piece. Glasses and Plates are generally around \$3 per Piece as replacement cost.
